

MARIO: Reversible Single Sided Swingarm Rear Stand

While we manufacture our products to a very high standard, we can't guarantee any stand that isn't assembled correctly or used incorrectly. Please be sure that you understand the instructions and if not contact PSR for advice before use. PSR will not be held responsible in the instance of an incorrectly assembled stand. When using this service stand be sure the motorcycle and exhaust system are completely cool and the motorcycle is on a level and hard surface!

Left & Right Side Application:

1. Assemble the stand using supplied washers & bolts, fasten securely.
2. Insert the long handle into the stand base, secured with quick release pin.
3. Select & Insert correct axle pin for your application, secure it with quick release pin supplied. (DL & DR = Ducati Left & Right (except 1098); TL & TR = Triumph Left & Right; MV = MV Augusta Left/Right Side; H = Honda Left/Right Side).
